

**HELLENIC REPUBLIC**

Ministry of Education and Religious Affairs

# **RRF Projects of the Ministry of Education & Religious Affairs**

## Overview

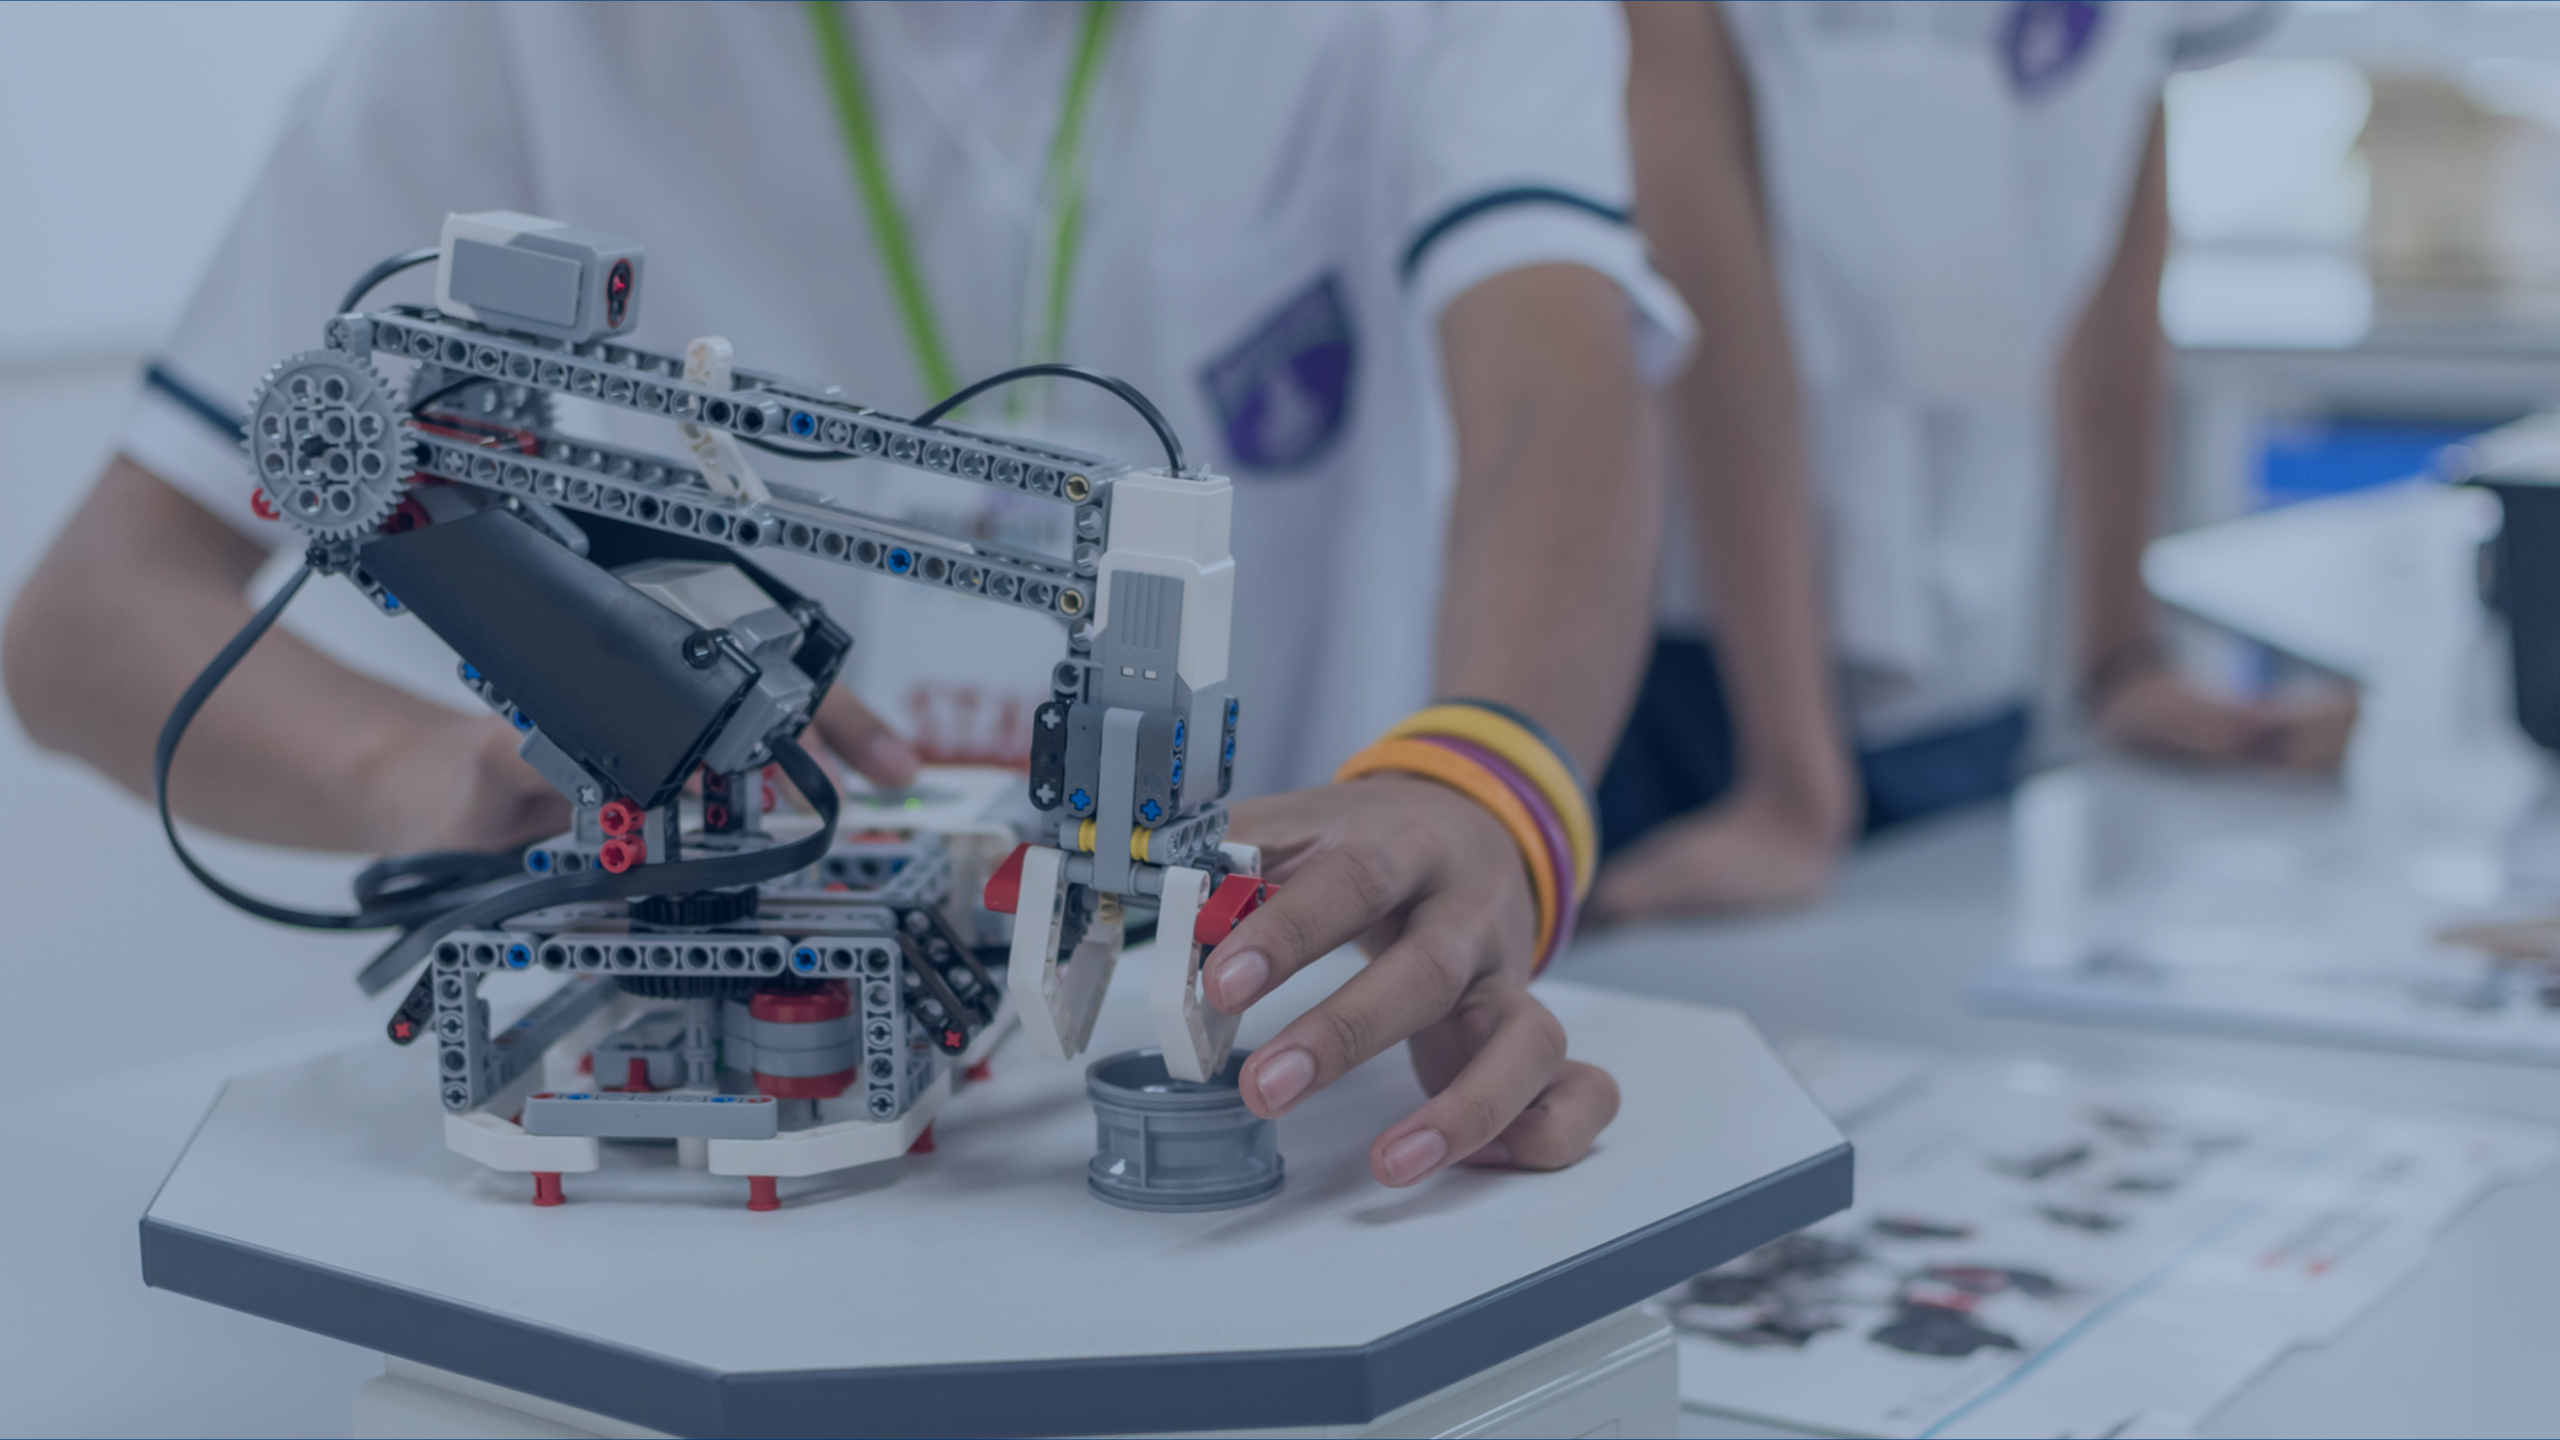

### Total budget

€  
**1.3 billion**

### Three areas of focus

- 1** Digital transformation of Education
- 2** Upgrading Vocational Education and Training
- 3** Strategy for excellence & innovation in Universities

# First focus area: Digital transformation of Education

€ 450 million

**A I M**

A holistic and inclusive digital upgrading of the education system, which will have an impact on the lives of our children and the next generations.

# First focus area: Digital transformation of Education

€ 450 million

## 1 Enhancing digital/technological equipment

- ✓ Installation of interactive, integrative learning systems in all primary and secondary schools
- ✓ €200 voucher to 560.000 students from low-income families to purchase a tablet, laptop or desktop
- ✓ Robotics & STEM labs in schools
- ✓ Technological tools designed to meet the individual needs of students with disabilities and/or special educational needs

# First focus area: Digital transformation of Education

€ 450 million

## 2 Enhancing digital skills

- ✓ Creation of advanced, open-source, accessible digital resources and repositories to reinforce the 453 reformed school curricula
- ✓ Training of 120,000 teachers in relation to the new educational content and revolutionary equipment acquired through all RRF projects
- ✓ Upgrading and interoperability of existing platforms and IT systems, to accelerate the digitalisation of communication within the educational community
